## HOSPITAL WILL GET \$10,000

**Tod Daley, M.P.P. Announces At Beamsville That Government Will Help West Lincoln Memorial Hospital, As They Are Vitrally Interested In The Need Of Hospitalization — Lifts A Big Load.**

Early in the winter A. R. Globe and a deputation of directors of West Lincoln Memorial Hospital waited upon Hon. Charles Daley, Minister of Labor, and through him received an appointment with Dr. R. P. Vivian, Minister of Health, to whom they presented claims for financial assistance from the provincial government, to assist in the establishment of the hospital.

Dr. Vivian gave Mr. Daley, Mr. Globe and the deputation a cordial reception and stated that he would do all in his power to assist the project, but at that time definite hospitalization plans of the government had not been completed, but as soon as they were he was sure that West Lincoln Memorial would receive some help.

At Beamsville on Friday night last, Hon. Charles Daley in his nomination speech stated:

"The people of the west end of the county had requested a grant of \$10,000, for the West Lincoln Memorial Hospital, and I'm glad to report tonight that they're going to get that money, because the government is taking a realistic view of the need for hospitalization, and seeing that it is provided where it is needed."

At Lions Club on Tuesday evening Mr. Globe stated that the Club as a club and its members individually had subscribed \$8,000 toward the project; that \$32,000 had been subscribed by other organizations and individuals in Winona.

## Newspaper Thief Also Destroys

**Not Satisfied With Robbing Globe And Mail Bundle But Also Ruins Other Papers.**

Grimsby is still bothered with penny-ante thievery. Some person or persons for a long time past have been stealing Globe and Mail newspapers from the bundle dropped off the newspaper truck at Rushton's, every morning at three o'clock.

Up until about a week ago only the odd paper was stolen every morning, but the past 10 days the thief or thieves have not been satisfied with stealing a paper or two, but they have also stooped so low as to destroy one or more other papers in flogging a paper or two out of the bundle.

Such thievery and destruction as this is what we would expect from a Heinie or a Jap, not from a Canadian.

## Wounded

Private Stanley Gunning, 22, son of Mr. and Mrs. Stanley Gunning, of Grimsby, has been wounded in action, according to official notification received by his parents. He enlisted three years ago with the Lincoln and Welland Regiment, being transferred at a later date to another unit and serving on the east coast for some time before going overseas last November. He was in the Italian campaign before going to the western front where he was wounded. A brother, Max, received his discharge from the navy last month.

## Here's Terry

A brother of Johnny, whose picture appears in another column, Sgt. Terry Farrell, R.C.A.F. has become pretty much of a globe trotter since enlisting. His itinerary includes almost every air camp between Winnipeg, Man. and Mount Pleasant, P.E.I. where he graduated. He is an air-gunner. Born and educated in Grimsby, second son of L. J. Farrell of Trenton and calls ex-Mayor Charles T. Farrell grandpa. Was also a former Independent employee. Is now stationed at Moncton, N.B. A sister, Patricia, is with the Wrens at Halifax.

## Introducing An New-Old Idea

**From This Issue On All Subscription Renewals, And New Subscriptions Will Be Published Weekly.**

This week The Independent puts a new idea into force—or an old idea of many years standing, revamped.

It is a column that will run every week under the heading "Paid-Up List." Under this heading all subscription renewals and all new subscriptions will be listed.

Owing to labor shortage it is impossible to keep our mailing list corrected up-to-date (in the type), hence the date lines on the labels that go on the paper each week cause confusion with subscribers who have renewed or who have just subscribed.

This idea was first put in use by the late Jas. A. Livingston, back in the early 90's and was in use continuously up until the Livingston family disposed of The Independent in 1925. Just when it was discontinued we do not know.

We are putting this idea into operation in the belief that it will be beneficial to both our subscribers and ourselves and will once again become a feature of this Great Moral Educator and Profound Moulder of Public Opinion.

## Must Stick To Mother Country

**N. J. M. Lockhart Informs Large Audience That Too Many Parties Means Ruination Of Country.**

N. J. M. Lockhart, M.P. for Lincoln, in speaking to the convention audience at Beamsville on Friday night last, expressed his appreciation not only for the unanimous nomination but also for the confidence of the electors for his past two terms in office. "I have tried to serve you as best I could being in the opposition," he declared. "The coming provincial and federal elections will be the crossroads not only for the Progressive Conservative party but for the country as a whole. During the past nine years I have witnessed a partisan government running the war, and that is something I can not condone."

"I have heard in the House of Commons members of the C.C.F. say socialism is here, is a reality, and a state of socialism should take hold of things." Mr. Lockhart brandished a manifesto issued jointly in the United States by the C.I.O., A.F. of L., and the Chamber of Commerce, from which Canadian socialists would take their cues. The manifesto, he read out, defended the rights of private property and private enterprise, free competition and free men, and the

## LEO THE LION BACK AT ROXY

**After Ten Years Metro Goldwyn-Mayer Pictures Will Be Featured At Local Theatre — Many Top Notch Stars To Appear In Productions Of Highest Merit — May Is Big Month.**

Art Vickers, Manager of the Roxy Theatre, Grimsby, announced Saturday that a contract for Metro-Goldwyn-Mayer pictures has been signed for the theatre, and that for the first time in ten years the familiar figure of "Leo the Lion" would return to the Grimsby screen.

Metro-Goldwyn-Mayer has been the biggest name in Motion Picture Production for nearly twenty years and its studio has under contract the biggest stars, directors and producers in the Motion Picture Industry.

From a mere four hundred employees in 1924, Metro-Goldwyn-Mayer has grown until now there are close to five thousand people on its payroll. From forty acres and six stages in 1924, it has grown to one hundred and seventy-five acres and thirty-one stages.

Among its stars are such famous names as: Greer Garson, Walter Pidgeon, Myrna Loy, Judy Garland, Hedy Lamarr, Wallace Beery, William Powell, Spencer Tracy, Irene Dunne, Lionel Barrymore, etc. Four of its biggest male stars are still on Active Service—Clark Gable, Robert Taylor, Robert Montgomery and James Stewart.

For the entire month of May, with the exception of the Saturday programs, the Roxy Theatre, Grimsby, will show nothing but Metro pictures. Among the outstanding hits shown during this "Metro Month" are—

## Labor Candidate Is Nominated

**A.F.L. And C.I.O. Unions Will Run Cpl. Paul Siren In The Provincial Riding.**

(St. Catharines Standard)

A combined meeting of A.F.L. and C.I.O. Unions in Lincoln riding, called by Local 676 U.A.W., C.I.O. Merritt, nominated Cpl. Paul Siren to contest the riding as a Labor candidate in the coming Provincial election.

Cpl. Siren, now serving with the R.C.A.M.C., was formerly employed as an International Representative of the U.A.W.-C.I.O. in St. Catharines, previous to which he worked in McKinnon Industries Ltd. where he acted as chairman of the Bargaining Committee of the Local Union.

The nomination was in keeping with the enunciated policy of the District Council of the United Automobile Workers to nominate a candidate on a non-partisan basis in this riding, where approximately 5000 organized workers are to be found.

By the time this appears in print and you are reading it, V-E Day may have arrived, but whether it has or not, should not have any effect on your purchase of Victory Bonds.

V-E Day does not mean that the war is over for Canada and Canadians. We still have to do our part in clearing the earth of the reptilian Jap. That can only be done by continuing to back up our troops and the troops of our Allies. It takes money to do this. Your money. Everybody's money.

For the first eight days of the loan campaign in Grimsby and North Grimsby, Chairman Archie Aiton reports that he is well pleased with the results. Up until Tuesday night the salesmen and the Bank of Commerce had reported sales of \$202,950, as against \$228,100 in the last loan, a little behind schedule, but considering the weather of last week a very good showing. Grimsby is leading all other municipalities in the county, except St. Catharines in sales to date.

Norm. Harris is setting the pace for the local salesmen but has no big edge over any of the others, who are all well within the allotted quota for the time period of the campaign.

There is no doubt that at the half way

## Killed In Action

## Grimsby Boy At Sea 14 Months

**P.O. Jack Johnson Of H.M.C.S. Sioux Lands At Eastern Port Last Week.**

Veterans of the Murmansk runs and D-Day sweeps that cleared the Channel for invasion flotillas, officers and crew of the H.M.C.S. Sioux are home on leave after 14 action-packed months.

Though none of the men knew exactly what his future plans at expiration of his leave, Lt.-Cmdr. Eric E. G. Boak of Victoria, said he felt "pretty sure" most of his men would volunteer for Pacific action.

During fighting vessel's 277 days at sea, she assisted in evacuation of a little colony of Norwegian fishermen on Soroy Island, about 40 miles off North Cape.

Among the officers who landed last week at an eastern port was Petty Officer Jack Johnson, son of Frank Johnson, Main street, and a naval veteran of 10 years standing. At time of writing "Jack" had not yet reached Grimsby.

## Wounded

Mrs. Angus Clark, of Grimsby, has been notified that her husband, Cpl. Angus Clark, has been wounded in action. He enlisted in the R.C.A.S.C. on September 9, 1939, and went overseas early in 1940, later being transferred to the infantry. He served in Italy before going to the western front. He has a family of five children.

## MOGG MAY BE P.C. CANDIDATE

**Pressure Being Brought To Bear On Former Grimsby Reeve To Contest Middlesex South For Progressive Conservative Party — Well Known In The Constituency As He Equalized The Assessment There.**

A Grimsby man may be a candidate in the provincial election for the riding of Middlesex South, if plans now being considered are carried out.

Dan MacIntyre, the home-spun, ruddy cheeked cattle drover from Appin village, who represented the constituency in the last legislature for the Progressive-Conservative party, has definitely announced his retirement, and along with several other conservative stalwarts are forming plans and using pressure to have H. Gladstone Mogg, ex-Reeve of Grimsby, the Tory standard bearer in the forthcoming June 4th election.

Strathroy Age-Dispatch in its issue of last week broke the news and stated that Mr. Mogg had a very fine chance of not only carrying the convention, which is being held today, but also the riding if he faced the issue.

Mr. Mogg is well known in the Middlesex South riding as his firm of Quinlin and Mogg only recently finished equalizing the assessment of Middlesex county and making a special assessment for Strathroy town and Lobo and Caradoc townships.

He also was campaign manager for Mr. MacIntyre in the last provincial election.

When interviewed at his home on Kidd avenue on Monday morning, by The Independent, Mr. Mogg would not state whether he would contest the nomination today or not. He stated that he would not make a decision until he arrived back in Strathroy on Wednesday.

## Salvage Gathers 5 Tons Of Glass

**Certainly Should Relieve The Bottle Shortage — Collection One Of The Best Ever**

(By Jas. A. Wray)

May-Day for 1945 has proved again that team work is the answer to most of our problems and it surely proved efficient in this our last and best salvage drive. Harry Bull, our genial mayor, has worked with your chairman by his assistance in procuring trucks for collection. Instead of using the town team, which has more work than it can do, Mr. Bull asked for and received the assistance of local trucks—the Distillery, the Winery and Merritt Bros. deserve our appreciation for the use of trucks and drivers.

Again team work wins. We asked for glass, and we got it. My guess is we got at least 5 tons and what a response for paper. Never in our previous collections was the

## This Is Johnny

Pictured above is Sgt. Johnny Farrell, now chasing Heinies across Germany. He is the oldest son of Leslie J. Farrell, Trenton and a grandson of ex-Mayor and Mrs. Charles T. Farrell, Grimsby. Born and educated in Grimsby and chucked his job in The Independent composing room in September 1939 to enlist in the R.C.A.S.C. Went overseas in December that year and soon rose to the rank of Sgt. Came home in the spring of 1942 in charge of a detail of war prisoners. While here he reverted to ranks and transferred to the R.C.O.C. and went back overseas and was soon wearing three stripes again. Has been in the European theatre since D-Day. Brother Terry is in the R.C.A.F.

## Not Returning Cards Promptly

**Citizens Are Careless About Making Out Meter Cards To Hydro Office — Causes Confusion.**

Local Hydro officials are encountering some trouble with town residents with regards to meter reading and billing.

Davey Thomson informs The Independent that some confusion is caused to the bookkeeping system at times, owing to the failure of citizens to promptly return meter reading cards that have been left at residences, where the meter reader on his rounds, is unable to gain entrance.

When a meter reader finds no person at home he leaves a card for the consumer to fill out the meter reading on and return it to the office. This should be done by the consumer immediately, as delay causes bookkeeping confusion and often times mistakes.

There are also cases where the card is not returned at all and all

## Gives Account Of His Stewardship

**Hon. Charles Daley, Gives First Hand Information On Accomplishments Of Drew Government.**

Speaking to the over-flow convention meeting in Beamsville on Friday night last, Hon. Charles Daley, Minister of Labor in the Drew Cabinet and M.P.P. for Lincoln, gave a brief but clear account of his stewardship during the 19 months that the Drew government was in office.

"The only people who can beat the Conservative party this time are the Conservatives themselves," declared Mr. Daley. "The prime minister has done a magnificent job as leader, and if we unite behind him we are on the threshold of a great political victory."

"Mr. Drew has in his cabinet six ministers who are veterans, some of whom suffered grievous injuries in the last war. If they can not solve the problems of the boys when they come home, who can? For they understand the problems which confront these boys."

"I find myself tonight in a situation which is difficult for me to understand. I served my own city for ten years and the experience I gained there was of great value to me in the government and to the government. I suggest to my opponent, (Mr. Ross) that if he wants to take some part in the affairs of this country, let him place himself

## CONSERVATIVE NOMINATIONS

**Labor Minister Daley And N. J. M. Lockhart Chosen To Carry Party Banner By Largest Convention Ever Held In Lincoln—No Opposition For Lockhart — Daley Won Over Ross—1500 People Present.**

The most largely attended and enthusiastic convention in the history of the Progressive Conservative Association in Lincoln County Friday night nominated Hon. Charles Daley, Minister of Labor in the Drew government, as provincial candidate, and Norman J. Lockhart, member of Parliament in the House of Commons, as federal candidate for the approaching June elections.

Nearly 1500 men and women delegates and party members from throughout Lincoln county, crowded Beamsville Community Hall to capacity for a 3½ hour nominating and annual meeting. Mr. Daley received the renomination over R. K. Ross, St. Catharines barrister, for his second provincial election contest, and Mr. Lockhart, Lincoln member since 1936, was not opposed.

When Hon. Mr. Daley's success in the balloting was made known there was a spontaneous burst of applause and cheering, and he was warmly greeted when he walked onto the platform.

Mr. Ross shaking hands with Mr. Daley, said he wanted to make the nomination unanimous and pledged his support. Mr. Lockhart, after congratulating the candidate, said "Tod has been a tower of strength to me."

"I won't let you down," Mr. Daley told the audience amid cheers.

J. Roland Stork, Louth township, was elected president of the Progressive Conservative Association in Lincoln county, succeeding F. O.

## Roxy Theatre Has Brand New Screen

**Accident Marred The Old One Some Weeks Ago — New One Is Giving Perfect Results.**

A few weeks ago one of those accidents that some times happens in a theatre seriously marred the screen at the Roxy theatre on which the movies are projected. A new one was ordered immediately but, owing to wartime difficulties, it was only received last week.

The new screen is the finest that could be obtained and, in tests carried out after its installation, it gave perfect results. The surface of the new screen is completely sprayed with minute glass particles which tend to reflect the projected light to the greatest possible advantage.

## FACTS & FANCIES

Frank Fairborn, Jr.

### A MILITANT PARTY

No stronger evidence could have been shown of the fighting trim of the Progressive Conservative party in Lincoln County than in the great enthusiastic gathering of men and women voters, at the joint nomination meeting on Friday night at Beamsville. Such assemblies are not the token of lost causes, but the portent of victory in the offing. Hon. Charles Daley is again the candidate for the Ontario Legislature, and without opposition, Norman J. Lockhart was named for the House of Commons. The latter nomination was a tribute in itself to the faithful and sterling representation given at Ottawa since 1935 by Mr. Lockhart.

The fact that there was contention for the nomination for the Legislature in the nomination of Romaine K. Ross against the Minister of Labor, no doubt stirred interest in the proceedings to fever heat and brought out all the war horses with their paint on. There was also a very militant and large representation of Progressive Conservative women present. When the score was counted in favor of Mr. Daley, there was all round unanimity, and the broad view of the fact that he was opposed simply reflects the working of the democratic principle within the ranks of the Progressive Conservative party, so often dubbed by its opponents as reactionary. The nomination of the Minister of Labor only came after a spirited debate in which respective claims and points were well presented. The delegates then made their choice. That is how the party system works at its best and to date there has never been discovered anything better, granted that there can always be improvement in any system.

Hon. Charles Daley gave an excellent account of his stewardship, and there is every reason to believe that he will find endorsement in his appeal to the constituents of this great riding on June 4 next. No discouragement for his present rejection should be taken by Romaine Ross. His services to his party in the past, his integrity and ability will find recognition in due time. The main task for Progressive Conservatives in the coming weeks is to put their shoulders to the wheel and make sure of a continuance of good government in Ontario, with a clear mandate for Premier Drew. There is only one clear-cut issue in the provincial campaign, that is good government. If the phrase were not so hackneyed, from misuse and overuse, "Drew or Chaos" would fit the occasion.

As for Mr. Lockhart, Liberals as well as Progressive Conservatives join in general commendation for his representation of Lincoln County at Ottawa. He has been most assiduous in the performance of his duties and has won for himself a very high standing in the Commons Membership. He has never failed to respond to any individual appeal, whether made by Liberal or member of any other party than his own. No man is better known in Lincoln County, and he will face the electorate once again with all his old time popularity.

It is said that not since the great Conservative convention for Union government in 1917 has there been a convention anything like the one held at Beamsville. This truly reflects healthy interest in public affairs. It is also the portent of a great vote being recorded on June 4 and June 11, a greater and more truly representative legislation of the popular will than in any election for years past. That in itself will be underwriting good insurance on the future stability of Ontario and the Dominion at large.

### OUT OF OUR ABUNDANCE

This is our Eighth Victory Loan. Year after year we have subscribed with varying emotions. There were days when we did so, feeling almost that we were paying for life and liberty. Now we are asked to subscribe when we have a confident knowledge that victory is sure and not too distant.

There is encouragement in that change, but there is also ground for sober thought. As we come closer to victory, the tempo and the destructiveness of war increase. With that increase there is a growing cost—a cost

in dollars that we can afford; a cost in young lives that it is impossible to estimate. This youth that is so gallantly offering itself has no delusions that victory is easy, or that the need for sacrifice will be over when the present fighting ends.

The tragedy would be if we or they should confuse the end of open fighting in Europe with a real and lasting peace, or that, having set our hand to so great a task, the first sign of victory should lead us to think that we had sacrificed enough. Germany's surrender cannot end the demands that face us. There is another war in the Pacific, and even when that war has ended, victory will still be distant. There can be no real victory until there is some shadow of peace in a war-torn world. There can be no lasting prosperity here while there is bitterness and despair abroad. Our narrowing world has made each one his brother's keeper, in his own selfish interests if for no higher reason. So our Victory Loans must assure us not only the success of arms but the larger and wider success of peace. We are as much obligated and interested in paying for the one as we are in paying for the other.

There can be no comparison between one who offers his life and one who offers his money at interest. Yet to most of us, the loaning of our money and the small, immediate doing-without that entails are almost the greatest contributions we can make for this war and for a lasting peace to follow.

### AN INEQUITABLE SYSTEM

(Fort Erie Times-Review)

According to an item in a recent issue of the Halifax Herald, something over 50 per cent. of all the real property in that city is exempt from taxation, and of that 50 per cent., about 70 per cent. is federal property, valued at \$35,000,000. As a result of this tax exemption, the city of Halifax loses about \$1,000,000 per annum in its tax receipts.

To put it another way, because no municipal taxes are collected on more than half the real property in Halifax, taxes levied on the remainder of the property in the city are more than twice what they otherwise would be. Thus the exempted property imposes a double burden on every property owner who does not enjoy the tax-free privilege.

This provides another striking illustration of the inequity and iniquity of exempting government property from municipal taxation. This property is accorded the benefit of such civic services as police and fire protection, sewerage system, street cleaning, etc., but contributes nothing towards their cost of maintenance—to the government they are all "for free," at the expense of the municipal taxpayers.

Fortunately for local taxpayers, the proportion of government owned property in Fort Erie is much lower than is the case in Halifax; but, as an example there is the Dominion Government building on Jarvis street. If a fire occurred in that structure, the Fort Erie fire department would be expected to put it out. The local police force protects it from marauders and other malefactors. Yet it pays no taxes to the town treasury. Other property-owners in Fort Erie have to foot the bill.

### UNPLEASANT TRUTH ON MEAT

The latest mud-puddle through which some U.S. quarters have been pulling Canada's good name is the meat problem.

Particularly important, therefore, is the graphic two-page presentation in the authoritative United States News setting forth the facts of the case.

Two conclusions the United States News draws about the differences in the U. S. and Canadian meat supply situation:

1. The Canadian distribution and control system works better than the U. S.
2. U. S. black-marketing, "the muddle in meat rationing" and maldistribution are the causes of the American's meat troubles.

Here are some figures the United States News shows in type half an inch tall to help get this story straight.

In the U. S. the average consumer will have about 130 lb. of meat this year, only 4 lb. less than 1939, but 17 lb. less than 1944.

In Canada, the average consumer will have 132 lb. this year, 1 lb. less than in 1939 and 9 lb. less than in 1944.

On all foods, the Americans this year will average 1,271 lb. each against 1,230 in 1939.

On all foods, Canadians this year will average 1,099 lb. compared with 1,035 in 1939. (Main difference with U. S. is our lower consumption of fruits and vegetables).

"Stricter controls" in Canada, says the United States News, "give each consumer his fair share of what is available even in cities."

Thanks, U. S. News! Okay, W.P.T.B., take a bow!

An optimist is one who figures that when his shoes wear out he will be back on his feet.

## Letters to the Editor

Grimsby, April 29, 1945.

Independent

Dear Sirs:

Re letter "Who Knows", by Francis Hill. Asphalt walks were laid 1896-97. Town Hall as far as I know was built before Francis can remember. I saw lots of shows in hall upstairs and also went to school down stair to the late Mr. Harrison and Miss Strang. If he knows this date, it was handed down. Electric lights arrived by Mr. Lewis, 1896-97. The first lights were by the late John VanDyke and

made by water at the lake, not commercial, but private.

Fitch family operated bake shop on Main West, 1896-98. Lots of pitch gum I got there. Metcalfe fire on Paton St., 1894. The house stood on or about where the Laidman home is now. The Metcalfe's also operated a wood yard. By the way, Francis, do you remember the lights before Carbon? I do.

Your truly,  
L. G. MacBride,  
14 Adelaide St., Grimsby.

### Old Fashioned Winter

So you think this was an old-fashioned winter? Listen to Harriet Beecher Stowe's description of the real article in America in the 1820's or 30's:

"Better, far better, the old houses of the olden time, with their great roaring fires and their bedrooms, where the snow came in and the wintry winds whistled. Then, to be sure, you froze your back while you burned your face. Your water froze nightly in the pitcher, your breath congealed in ice wreaths on the blankets, and you could write your name on the pretty snow wreaths that had sifted in through the window cracks.

"But you woke full of life and vigor, you looked out at the swirling snowstorms without a shiver and thought nothing of plunging through drifts as high as your head on your daily way to school. You jingled in sleighs, you snowballed, you lived in snow like a snow bird, and your blood coursed and tingled in full tide of good, merry, real life through your veins—none of the slow creeping, black blood which clogs the brains and lies like a weight on the vital wheels."

Hello Homemakers! Sunshine has prematurely warmed the earth and urged the succulent asparagus sprouts to make an early appearance this season.

To enjoy asparagus 'to the utmost' you should eat it as fresh as possible, cooked only until it is tender. When you shop for asparagus, look for stalks that are firm and fresh . . . the tips should be tightly closed. The very green asparagus is a good source of Vitamin A. This is the kind that is most plentiful on the market. Green asparagus is a good source of iron and also contributes some vitamin C.

#### ASPARAGUS OMELET

4 eggs, 1/2 tsp. salt, 4 tbsps. asparagus water, 1 cup cut asparagus. Beat egg yolks, add salt and asparagus water. Beat whites of eggs until stiff. Gradually stir in yolk mixture and asparagus cut in pieces. Pour into hot greased frying pan. Reduce heat and cook slowly until set. Put into an electric oven at 300 degs. to dry slightly. Fold and turn out. Garnish with asparagus tips. Serve immediately.

#### MOULDED ASPARAGUS

Cooked asparagus of good shape and colour may be moulded into plain, gelatine flavoured with lemon. Soak 2 tbsps. gelatine in 1/2 cup cold water and then stir into 1 1/2 cups hot water and 1/4 cup lemon juice. When partly set, place asparagus tips and segments of grapefruit in the jelly. Chill in electric refrigerator until firm. Serve with mayonnaise flecked with paprika.

#### VINAIGRETTE SAUCE

1 tsp. salt, 1/4 cup vinegar, 1/4 tsp. paprika, 1/2 cup salad oil, 1 tbsps. minced pickle, 1 tbsps. minced onion, 1 tbsps. minced parsley. Combine ingredients; shake together in corked bottle. Serve over hot asparagus.

#### PORK AND ASPARAGUS CASSEROLE

2 cups cooked pork, diced, 2 cups cooked asparagus, cut, 2 cups thin

white sauce, 2 egg yolks, 1/2 cup grated cheese, salt, pepper, nutmeg.

Pour hot white sauce over well-beaten egg yolks, stirring constantly. Season chopped asparagus with salt, pepper and dash of nutmeg and one cupful of the sauce, and place in a well greased casserole. Place diced pork on the asparagus. Cover with remaining sauce and sprinkle with grated cheese. Set the casserole in a shallow pan of hot water and bake in an electric oven 375 degs. for about 30 or 40 mins.

#### MOLASSES COOKIES

1 cup molasses, 1/2 cup shortening, butter and lard mixture, 2 1/2 cups bread flour, 1 tbsps. ginger, 1 tbsps. soda, 2 tbsps. warm milk, 1 tsp. salt.

Heat molasses to boiling point, add shortening, ginger, soda dissolved in warm milk; stir into measured salt and flour. Drop from spoon onto greased cookie sheet and bake in electric oven at 325 degs.

If you prefer shaped cookies, this dough may be thoroughly chilled in electric refrigerator, then rolled thin and cut in desired shapes.

#### TAKE A TIP

When cooking asparagus: If you break rather than cut the ends, the remaining portion will be entirely edible.

Wash each stalk thoroughly to remove any grit.

The asparagus in bunches and stand in deep saucepan.

Use enough boiling water to come 1/2 way up the stalks.

Cover and cook 15 mins. then tip bundles over and cook another 5 mins.

Drain off the liquid and serve with tomato sauce, egg sauce, cheese sauce or creamed mushroom sauce.

If you have butter to spare, hot

#### THE QUESTION BOX

A Toronto homemaker asks: Which herbs shall I buy as small plants and which herbs are annuals?

ANSWER: Annuals for the herb garden include summer savory, parsley, basil, sweet marjoram and dill. It is better to buy small plants of thyme, mint and sage. Tarragon roots may be planted. For information regarding planting and care of herbs, write to any Dominion Experimental Farm or Agricultural College.

Mrs. H. W. says: My molasses cookies burn at a high temperature (400) and are rubbery baked at 325 degs.

ANSWER: Use a tested recipe and bake in a preheated oven from 325 to 350 degs.

### Making Over Old Furniture

Certainly the great department stores are doing a superb job of instructing consumers in the art and science of making do and making over. Expert repair services for the personal wardrobe and for household equipment are coupled with lectures and demonstration classes in these subjects giving the housewife a chance to learn tricks and knacks that should help her to keep her home running smoothly and well not only until Victory but in the happy years to come.

One of the best department store projects we have encountered for some time is a display of two model rooms furnished with refurbished and made-over pieces. Most of the pieces could be tackled by any handy man or woman. If there are some old or discarded pieces of furniture in attic or cellar; it might be a good idea to get going now and so give the house or someone else's house a nice Christmas present, useful and in these days of shortages, really valuable, a constant reminder of the ingenuity of the donor.

#### Making Over Furniture

Making pretty and useful items out of old or discarded pieces is fun, as many of us have already found out. One woman we know has furnished a spare room as a bed-sitting-room for a war-worker, entirely out of re-done old pieces and the result is really handsome.

But to get back to the model rooms! One of the prettiest pieces of furniture in the room is a plant filled end table by a love-seat. This table started out in life as a wash stand table but had long since been banished to the attic. But look at it now, the pride of the living room! Cleaned and polished, its good lines are a delight and the philodendron plants in pots in the lower drawer give an extra decorative touch.

#### Redecorated Bedroom

The bedroom, done in white and pink, is a triumph of ingenuity. Pride of place, in these times of fuel shortage, must go to a cast-iron stove of rather flamboyant design, a big, bold piece that has been treated to a coat of bright pink paint, and that would be a boon in many a room we could think of.

Handsome and unabashed it sits next to a dainty, marquise-skirted dressing table. In front of the table is a pretty dressing stool painted white and decorated with sprays of flowers cut from wallpaper used for the room.

#### YOUTH AND EXPERIENCE

Youth laughs at us old timers, And maybe youth has cause, For when your hair gets white and thin

You don't expect applause; Perhaps we're not so handsome, Perhaps we're not so spry. But when youth gets as old as us, Then youth won't wonder why.

For we have fought the battles, And we have led the van, And made this life an easier road For many a younger man; And he will do tomorrow A lot of things that pay, Because old timers thought them out And tried them yesterday.

We know the world is changing, The ways of trade are new; Men put new labels on their goods, New roofs on houses too. But still the old foundation That some old timer laid Remains the cornerstone of all The progress men have made.

MILLIONS OF PEOPLE IN LIBERATED  
EUROPE — LOOK TO ONTARIO FOR FOOD!

Never has the need for food been so great as it is today. In addition to our own vastly increased demands, there are now those of Europe's liberated millions, who desperately need food but cannot produce it.

These people, emaciated and destitute, look to US for help!

Here's what YOU can do . . . plan NOW to devote whatever time you can to helping out on the farms this summer.

## I.O.D.E.

The April business meeting of Lincoln Loyalist Chapter I.O.D.E. was held in the Chapter room at the Village Inn on Monday, April 30th, at 2:45 P.M., with Mrs. Buckenham, Regent, presiding.

Mrs. David Cloughley was appointed convener of the Tag Day which will be held on May 19th.

The Treasurer, as usual, gave a very fine report.

Since the March meeting, the War Service Committee, under the capable convener of Miss Ann Crane, have packed and shipped 189 boxes overseas, including 133 for Army, 23 Navy, 30 Airforce, 2 India Command, and 1 C.W.A.C. Each box contained a book, handkerchief, pair of socks and chocolate.

Mrs. Niel M. Leckie, convener of our adopted ship "Interceptor," reported a parcel had been sent on April 18th, valued at \$9.61.

Mrs. Buckenham gave a very full and interesting report of the Provincial Conference, which was held in Hamilton on April 18th, 19th and 20th.

It was decided to donate an additional \$100.00 to the West Lincoln Memorial Hospital, making a total of \$200.00 which now makes the Chapter a charter member.

The following conveners were appointed for the ensuing year:

War Services—Ann Crane; Adopted Ship—Mrs. Neil M. Leckie; Empire Study—Mrs. H. Morris; Girl Guides—Mrs. K. Baxter; Ex-Service Personnel—Mrs. P. E. Fairbank; Child Welfare—Mrs. Loth-Layton; Immigration—Mrs. Loth-Layton; Flowers and Visiting—Mrs. F. Marsh; W.P.T.B. and Films—Mrs. E. Phelps; Distinguished Visitors and War Brides—Mrs. L. A. Bromley; Echoes—Miss Cline; Bridge Convener—Mrs. R. E. Devine; War Saving Stamps—Miss Calder; Press and Historian—Mrs. H. R. Elliot.

Mrs. Bromley reported three war brides arrived during the past month.

## Beach Circle

The Grimsby Beach Circle, a branch of the Women's Association of the United Church, met at the home of Mrs. Andrew Graham, Main East, on Thursday the 26th of April.

A good attendance was present, with Mrs. Pinder, President, in the Chair.

The meeting opened with a worship service, Hymn singing, Scripture reading by Mrs. Rayner, Prayer for the Guidance and Blessing of God for the San Francisco deliberations.

Various discussions took place for the world wide Woman's Association, and the Red Cross, most of the ladies being workers, after which a pleasant time was spent over a cup of tea.

The hostesses were Mrs. Dow, Mrs. Pinder, and Mrs. Graham.

## Eastern Star

The regular meeting of Grimsby Chapter was held in the Masonic Hall on Tuesday evening with a large attendance of guests being present. Sister Lillian Gill, D.D. G.M. and Brother Gaylard, member of the Florence Nightingale Home Board presided in the East. Other guests of the evening were members of the various chapters: Alpha, Historic, Iris, Dorcas, Lakeview, Rosedale, and Mirpah, also the Empire Matrons as special guests, who were given a very cordial welcome by the Worthy Matron, Sister Muriel Anderson. Following the meeting a penny sale was held by the Entertainment Committee, which proved a great success. Lunch was served by Sister Eva Dousett and her committee.

## Women's Institute

The annual meeting of the Women's Institute was held at the home of Mrs. Bierd, Oak St., Tuesday evening, May 1st. Plans were discussed for celebrations on V-E Day. Mrs. Sutherland, convener of nominating committee named the officers for the ensuing year: Hon. Pres., Mrs. G. Warner; President, Mrs. Wm. Layton, 1st Vice-Pres., Mrs. L. Larsen; 2nd Vice-Pres., Mrs. N. Morningstar; Secretary and Press Correspondent, Mrs. F. J. Burton; Treasurer, Mrs. J. J. Graham; District Director, Mrs. G. Warner; Pianists, Mrs. M. Caton and Mrs. H. Young. A presentation was made to Mrs. G. Warner on retiring after 6 years as president of the Women's Institute. Mrs. L. Larsen gave readings "The Volunteer Organist" and "How Grampa Proposed" which were much enjoyed.

The refreshment committee served a dainty lunch.

Next meeting to be at the home of Mrs. Murphy in June.

A Grimsby wedding of recent weeks was that of Betty Irene, daughter of James and Mrs. Fisher, Oak St. to Petty Officer Philip Steele, R.C.N.V.R., son of Robert and Mrs. Steele, Deep Cove, B.C. The happy young couple are pictured above. — Photo by Thomas Studio.

## Rebekah Lodge

Alexina Rebekah Lodge held their regular meeting Tuesday evening, April 24th.

Routine business was attended to. Sister Gladys Buckenham was appointed as scholar and Sister Elsie Mason as representative to attend Rebekah Assembly at Toronto in June.

Initiation Ceremony will take place at the next meeting, May 8th, when the Assembly Warden is expected to attend.

## On The Air

Yesterday C. D. Millyard gave a five minute talk over CKTB, St. Catharines on behalf of the Victory Loan campaign, and he made a good job of it.

On Friday of next week Wm. Hewson will be the Grimsby representative to take to the air over this same station. "Bill" will make his address at 12:25. Be sure and tune in.

## Cubbing

Now this is the law of the jungle—as old and as true as the sky—and the Wolf that shall keep it

may prosper, but the Wolf that shall break it must die.—Rudyard Kipling.

"The cub gives into the old wolf. The cub does not give into himself."

One of the first rules of cubbing is self discipline and the foregoing part of the opening ceremonies with the cubs and the old wolves around the totem pole serves as a weekly reminder.

In a badge ceremony Jim Lawson and Arthur Henley were presented with their first stars by Akela. Jim also was successful in earning his toy maker proficiency badge and Arthur his homecraft.

John Lyne and Douglas Clark were welcomed as new cubs.

As Baloo received the dues the sixers were busy giving their groups instruction in our flag formation. This was later practiced in a relay race.

After a lively game of volleyball the pack gathered in a circle about Akela who concluded the story of Kaa's rescue of Mowgli from the Bandarlog, telling how the huge black snake hypnotized and finally swallowed the foolish monkeys who tried to capture Mowgli, the little jungle boy and make him their King. In the "Wolf Cub's Handbook" the late Lord Baden-Powell likened boys with one aim or purpose in life to the silly monkeys or Bandarlog.

The dance of the Kaa was again reviewed and after prayer and the mouse call the pack dispersed for another week.

## Grimsby Red Cross

The Sew-We-Knit Red Cross Group will hold their regular meeting at the home of Mrs. Falk, 9 Adelaide St., Friday, May 9th, at 3:00 p.m.

In the first year of war \$6,640, 079 was sufficient to carry on the work of the Society, while in 1944 the expenditures grew to \$24,948, 261, according to a report made to the annual meeting of the Central Council of the Canadian Red Cross in session in Toronto this week.

"The largest single project maintained by the Red Cross has been assistance to prisoners of war—Canadian, British and Allied," Mr. L. A. Winter, Honorary Comptroller told the meeting. "The gross expenditure to provide for this work was \$17,013,797, but two thirds of this cost was re-imbursed the Society by the British and Australian Red Cross and the Allied nations for whom the food parcels were provided.

The hospital and medical supplies, the welfare of the Armed Forces and Merchant Navy, the relief for civilian air-raid sufferers, the reception and train services for returned men and families together with purchasing, warehousing and transportation in Canada and overseas, required expenditures amounting to \$2,734,179, Mr. Winter said.

"In the Blood Donor Service," he said, "more than a million donations were obtained in the operation of 662 regular and sub-clinics and by the use of 33 mobile units at a cost of \$992,063."

An expenditure of \$302,749 was entailed in connection with the Red Cross Corps, covering the organization, conduct and instruction of the detachments established throughout the Dominion, and the transportation and maintenance of 500 on active service overseas, he said.

"Funds were provided to Allied Red Cross Societies for medical supplies and other forms of relief to the extent of \$917,500," the Comptroller reported. "Countries that benefited included China, Poland, Belgium, the Netherlands, Greece and the Fighting French."

The peace-time activities of the Society cover a wide range of services, chiefly Outpost Hospitals and Nursing Station Service, Home Nursing and the Junior Red Cross Hospitals for Crippled Children. The gross expenditure required was \$1,757,221. It was shown that this section of the Society's work is largely self-supporting as \$971,049 had been received from hospital fees, government and other grants and contributions toward the various projects.

quirements to balance the 1944 Budget was \$10,000,000. ## Sugar Questions And Answers

Mrs. Housewife: How do I get sugar for canning?

Answer: In three ways: You can use (1) your ordinary sugar coupons (each worth 1 lb. of sugar when valid) or (2) your regular preserves coupons, each worth  $\frac{1}{2}$  lb. sugar or sundry commercial preserves) or (3) your special allotment for canning sugar provided in the form of 20 extra preserves coupons (each worth  $\frac{1}{2}$  lb. sugar). Two of these were valid

March 15, eight will be on May 17 and 10 on July 19.

Mrs. Housewife: Why can either preserves or canning sugar be purchased with the same coupons?

Answer: This is simply a convenience for the housewife. It saves having to officially change one type of coupon for another, if so desired, as happened last year.

Mrs. Housewife: Are the "P" coupons special coupons?

Answer: No. The "P" coupons are simply a continuation of the ordinary preserves coupons and can be used for either preserves or sugar for canning. When the ration book was originally planned a certain number of preserves coupons were set aside and this was increased and the "P" coupons were selected as ordinary preserves coupons.

Mrs. Housewife: Is the sugar shortage here likely to last much longer?

Answer: The world sugar shortage is due to war circumstances and poor crops and cannot be expected to improve for some time.

**Grimsby**

The Grimsby Lions Club is composed of a group of local citizens who are grouped together, dedicated to Community Service and Community Betterment.

On July 4th, 5th and 6th at the Municipal Grounds, Grimsby, the Grimsby Lions Club will hold its 8th Charity Carnival and is again appealing to the community for support in raising funds with which to carry on its many activities, which as time goes on are becoming more numerous and, more ambitious.

In an effort to acquaint the community with some details of our endeavours, we propose over the next eight weeks, to carry a new article each week describing something of the work of the various committees.

The Club was organized in 1938 with 35 charter members, and now has a membership of 64. In the eight years of existence, the club has raised and made available for service in the community \$12,000.00.

Watch for detailed story in these columns, starting next week, with our "Sight Conservation Committee."

## Liberated

Warant Officer Harry Tice, D.F. M., R.C.A.F. who has been a prisoner in Germany since 1942, has been freed by the allied forces, according to word received by his wife, residing at Grimsby Beach.

Mrs. Mary Robinson, Adelaide street has received word that her son Spr. Morley Robinson, R.C.E. has now arrived in England. He was reported released from a prison camp, some time ago by the Russians.

## Obituary

**MRS. ROBERT HAGAR**

Mary Beatrice Frost, widow of the late Robert Hagar, died at her home in North Grimsby township on Tuesday evening, in her 85th year.

She was a daughter of the late John and Ann Frost. She had been in ill health for several years. Deceased was active in the work of the Women's Association of Trinity United Church, Beausville.

One son, John, at home, and a daughter, Mrs. C. Russ, Ypsilanti, Mich., two sisters, Mrs. Frank Culp and Mrs. S. Wismer, Beausville, survive.

**MRS. HENRI MAYER**

After an illness of only two days, the death occurred on Monday morning of Pauline Carolin Mayer, relict of the late Lewis Henri Mayer, in her 78th year, at her home, the Fifty Road, Winona.

Deceased was born in England and came to Canada 32 years ago and has resided in the Winona district for 29 years. Her husband predeceased her in 1937. She was a member of the Winona Gospel church, where funeral services were held on Wednesday afternoon, with interment in the family plot in the Fifty cemetery.

Surviving are one son, Carl of St. Catharines and one daughter, Mrs. H. G. Gardner, Fruitland; two sisters, Miss Elise Shirley, Winona and Mrs. Edward Spink, in England.

**MISS HELEN LANCASTER**

A wide circle of friends and acquaintances in St. Catharines and the Niagara district learned with profound regret of the sudden passing of Helen Lynn (Nell) Lancaster, only daughter of Mrs. Lancaster and the late E. A. Lancaster, K.C., M.P., which occurred early last Thursday at Private Patients' Pavilion, General Hospital, Toronto.

The late Miss Lancaster was born in Grimsby, but had resided in St. Catharines practically her entire lifetime. For many years she had served as secretary in the county office of her brother, E. H. Lancaster, K.C., Crown Attorney of Lincoln County.

Miss Lancaster was the possessor of a cheerful and understanding personality, and many persons of all nationalities and walks of life will remember her for her kindly and helpful interest in their welfare. Her unselfish character and kindly nature placed her high in the esteem of a host of friends.

She was a member of St. Barnabas' Anglican Church, and in her younger life was an active member of St. Catharines Golf Club, St. Catharines Badminton Club and Duchess of Connaught Chapter, I.O.D.E.

The late Miss Lancaster is survived by her mother, and a brother, E. H. Lancaster, K.C., A brother, Harry, predeceased her.

Miss Marion Pettit and Mrs. Hugh Whyte are cousins and Mrs. Grace Pettit an aunt.

Funeral services were held on Saturday afternoon in St. Barnabas' church, St. Catharines, Rev. E. A. Irwin, assisted by Canon H. A. Leake, of Hamilton, officiating. Interment took place in the family plot in St. Andrew's cemetery, Grimsby, the committal service being conducted by Rev. A. E. Irwin assisted by Rev. A. E. Brooks.

The Independent was very pleased last week to receive a letter from Louis D. Barchfield, Summit, N.J., a former Grimsby resident and a brother-in-law of Mrs. Dr. D. Clarke, of The Village Inn. Mr. Barchfield was at one time Assessor of the Town and for some years was right-of-way buyer for the old Canadian Northern Railway, now a part of "Lindy's" Canadian National System. Mr. and Mrs. Barchfield resided on Elm street in the home now occupied by Charles and Mrs. Laing.

## Real Estate

Earl Swayze has purchased two building lots on the west side of Oak street from Robert Walters. Mrs. Maurice Markey has purchased the fine Culp house and property on Main street east from the Culp estate. Charles and Mrs. Walker will continue to reside there.

Wilfred and Velma Lawson have purchased the recently built bungalow home of Charles Woods at 21 Livingston avenue and will take possession July 1st. Mr. and Mrs. Woods will move into the new house now under construction at the corner of Livingston and St. Andrew's avenues.

J. Orton Livingston is the buyer of the front portion of the Major Dave Bell duplex house at 112 Main street. Charlie DeLaplante put the deal through.

## SPORTOLOGY

(By Bones Livingston, Sportologist)

**SPORTY SPORTLETS**—Peach Queen's league is productive of some great bowling. When you have women teams, not one or two but nearly all of them, that are bowling right in around the 2500 mark, you got something. That is what the Queen's are doing. Last week there were 18 girls that rolled a three game total of well over 500 with Hilda Johnson in the lead with 616. Nice work. It would just surprise you too, the number of games that are being trundled over the 200 mark, and not in the low figures either. I hope when the Queen's start their playoffs that they will be using a more sensible and understandable system than the complicated one that the Men's league have been struggling through. . . . That Victory team despite the loss of Mrs. Bobby Robertson and two of the Neale girls is still battling along, rolling up smart scores too. . . . The famous Neale trio is no more. Mrs. Bing Cosby is the only one left of the famous sister act. Cupid and the nursing profession is responsible. . . . Peach Queen's finish their league schedule next week. Are your dues paid. . . . If that femme from Grimsby Beach keeps on she will have Little Whizzer bankrupt. For the fourth time this season she copped the Saturday special War Savings Stamps prize with a 227.

**SECOND SPASM**—There was World Series tension at The Bowlaway on Monday night. Wonders and Generals were clashing. The players were tense and the spectators were rabid. Brother, what a pair of games. Wonders took two straight, each by 61 points, but that was only the beginning of many queer incidents. Councillor John Slawson Hewitt in the first game was 119 in the eighth frame and struck out with a 199, he came back with a 205 in the second stanza and done almost the same thing to get it. In that second game every Wonder bowled better than 200, from Harris with an even 200 to Lucy with 258. Out of the 10 games Wonders bowled eight of them over 200. On the other hand—I have a wart—Generals only had five games over 200. Hammy Fox rolled a 277 and a 275, but that was not good enough to offset the low of Brown with 116 and Sullivan with 133. In both games Shuert and Schwab of the Generals had exactly the same scores 196-205. During all the excitement somebody stole Little Whizzer's new ladder and he had to stand on top of the cash register, a precarious position. . . . The Village Banker was off his game and the Boulevard went down to defeat at the hands of the youthful Hep Cats, two straight. H. Levine of the Cats was top scorer with 259. . . . Over on the other alley Mr. Baxter, K.C. and his orange shirt, which hasn't been laundered in three weeks, led his St. Andrew's outfit to two straight wins over the West End boys. Morris of St. Andrew's was high scorer with 300, top score of the whole night. Leo Prevost with 331 was War Stamps winner last week.

**THIRD CANNIPTION**—Minus their great 300 kegler, Shaktleton, the Pin Twisters twisted all the tail feathers out of Jimmy Dunham's Owls on Tuesday night in two straight games. Games that will never set the world on fire for high scores, all of them 900 and under. Uncle Freddie Sims with a 228 and Wilbert Zimmerman with two 217's saved the Twisters from being untwisted. Nobody has ever been able to win a game yet with a score of 108 but that is what Jimmy was trying to do. Little Whizzer is now trying to make a deal with Harold Woolverton to sell the Owls to him for use in his cherry trees to scare the starlings away. . . . For a long, long time I have argued that there were better girl bowlers in this town than men. Here's proof. The other night Phil. Dunham bowling for her Vimy team rolled 181-189-204. Just average trundling for her. Tuesday night her old man trying to trundle for the Owls rolled 108-145. Nuff sed. . . . Now it's the Hep Cats and St. Andrew's — Wonders and Pin Twisters. I hope this league is finished by the middle of June so Little Whizzer can get away fishing.

## CONSERVATIVES

Leeson, Merritt, who resigned some weeks ago. Mr. Stork was nominated by D. F. Pepler, St. Catharines, president of the Macdonald-Cartier Club, who was nominated for the presidency, withdrew.

In his address of acceptance, Mr. Stork said he was "ready and willing to do the utmost for the Progressive Conservative Association, but without your help I am of little value." He urged complete co-operation in the approaching election campaign.

Mr. Stork said it was up to the members of the party to make sure that both federal and provincial Conservative candidates were returned to office.

"It is the greatest convention we have had," the president said citing the keen enthusiasm.

There was a brief, lively contest for the office of secretary-treasurer, and L. C. Forster, St. Catharines, who has held the office for the past 11 years was re-elected over A. E. Mix, St. Catharines, recently discharged from the R.C.A.P. as a squadron leader. Mr. Forster was nominated by John Smith, St. Catharines, and Richard Morley, Beamsville. The name of Cecil Secord, Grantham township, was placed before the convention, but Mr. Secord declined to stand for office.

Re-elected as auditors were M. A. Seymour, O.B.E., K.C., and R. Harry Short, both of St. Catharines. W. Greenhalgh, St. Catharines, who was nominated, withdrew.

When President Stork called for nominations, Dr. W. J. Chapman, St. Catharines, a former Conservative candidate, nominated R. K. Ross. He said there had been many complaints about county party affairs "and the business and patronage have fallen into the hands of a few." The association executive and chief officers have been ignored, he asserted. Mr. Ross' nomination was seconded by George Corus, Niagara-on-the-Lake.

Dr. Chapman described Mr. Ross as a man of education, character, and ability, one whom, he said, would see that justice was served to all. He added that he was a "true Tory" and had taken part as a speaker in all provincial and federal campaigns since 1926. Mr. Ross had attended the Port Hope Conservative school and had taken part in the Conservative conference at Winnipeg a few years ago.

Hon. Charles Daley was nominated by Richard Morley, Beamsville, who opposed Mr. Daley's nomination at the 1943 election. "I don't know whether I can speak of him (Daley) as a man of education but I can say that he is the first man from Lincoln County chosen to a post in the cabinet," declared Mr. Morley. The nomination was seconded by Cecil Secord, Grantham.

Mr. Morley said that Mr. Daley had been forced to establish residence in Toronto because "he was doing the job which you elected him to do." He has a right to spend some time with his family and the only way that could be accomplished would be for him to have his family in Toronto with him. He described the Minister of Labor as an honorable and up-standing man.

Seconding the member's nomination, Mr. Secord reminded the audience that Mr. Daley is a veteran of Great War I, and has a son and a son-in-law in the services now and "he is qualified to look after our soldier boys when they come home."

He emphasized the part played by Mr. Daley, while Mayor of St. Catharines and Lincoln County council, a friendship which Mr. Secord commented is being continued by the work of Mayor W. J. Macdonald, M.D.

Mr. Secord pointed to the co-operation received by Lincoln County deputations at Queen's Park, Toronto, as the work and interest of Mr. Daley and expressed his belief that members of Lincoln County council, both Conservative and Liberal, would be glad to see "Tod" Daley back in the government.

He said that Mr. Daley is the only cabinet minister in Ontario who is being opposed at a nomination meeting. "It is bad enough for our opposition to be pulling us apart without doing it ourselves," commented Mr. Secord.

Concluding, he urged "If you have a winner why not stay with him?" Mr. Secord said there should be harmony and urged the meeting to send Tod Daley back to help George Drew finish the job he has started.

Robert Dawson, Niagara township, nominated Richard Morley, Beamsville, and Wm. Heaslip, Gainsboro township, seconded the nomination, but Mr. Morley withdrew from the contest.

## NOT RETURNING

The officials can do so to estimate the amount of power use, and bill accordingly, sometimes this is too high and sometimes too low, but eventually balances itself, but the consumer in most of these cases feels that they are not being dealt fairly with.

They are being dealt fairly with, but a situation of their own creation has arisen and they often times get the wrong viewpoint.

Every consumer who is not at home when the meter reader calls, and finds that a card has been left, should fill that card in immediately and return it to the Hydro office and then everybody will be happy about the whole thing.

## GIVES ACCOUNT

In some position on the city council or the county council where he can take the rap, and brag about his elevation by service, and not by a campaign to discredit. I do not hold him personally responsible — to discredit one who held the confidence of the people of this riding for a great many years.

"While I'm away on your behalf, I find that playtime bickering and back-biting is going on."

"I do not know why these things have been said about me," continued Mr. Daley. "I moved out of the city, it is true, but Premier Drew honored me and the people of this county by making your representative a member of the cabinet. I have tried to do that job as well as I could, and it required me to be in Toronto and other parts of the province much of the time. I had a right to have my wife and family with me. I still own property in St. Catharines and pay taxes there, and my interests are there while I'm temporarily in Toronto doing a job on your behalf."

"It was intimated that Mr. Drew wanted another man in this county. He has written a letter to your executive in which he denied this over his signature."

"I was asked to secure a grant of \$5,000 for the Humane Society, but with the tremendous costs of wartime government, the government could not open up a new department of grants."

"Although the legislature has been dissolved, the cabinet still will carry on until a new one is formed. Only two days ago I had to return to Toronto against the protests of my campaign manager to handle a threatened strike of 3,000 workers in essential industry."

"What I would call an unwarranted attack on me could be considered an unwarranted attack on George Drew, and tends to discredit one of the finest men, one of the finest leaders this province ever had, for he is responsible for what I do. The hope of this country lies in the fact that a Progressive Conservative government is returned. The cabinet is now what your premier calls a smooth-working team. No government ever did more to improve the lot of the common man and the province as a whole."

Reviewing his work as a minister of labor and the record of the Drew government, he stated that "those 22 points outlined by the prime minister were almost completely fulfilled."

There is a better understanding between management and labor, he reported. His labor department has a staff of 580 assistants, and his duties covered a wide variety of boards and committees dealing with labor problems. He had the added duties of chairman of the Niagara Parks commission, which he selected and the government appointed. No member received a cent for his services on the commission, he said.

In education the curriculum has been improved, and religious education on a voluntary basis has been introduced. "We are paying 50 per cent of the cost of education as promised and boards have already received their first payments. These grants have resulted in reductions of from one to eight mills on the municipal tax rates. Hepburn says that if he is elected he will pay 90 per cent of the cost of education. We are paying as high as 95 per cent in some sections."

In agriculture, the government gave authority to milk producers to organize, and Mr. Hepburn was the only opponent to the legislation, he said. The government has taken over the Toronto stockyards to regulate sales and create lower charges to the farmer. The yards are to be operated by a committee of farmers.

Grape growers have expressed concern over the size of the acreage in the hands of wineries. "I want to tell the grape growers the government is in sympathy with you," said Mr. Daley.

During the war highway work has largely been confined to maintenance, "but our government has one of the greatest schemes ever conceived to improve the highways and give employment after the war."

Increased grants have been made

to hospitals and sanatoria, and Mr. Daley reported that he played a large part in securing an additional grant from the government to the Niagara Peninsula Sanatorium to make it one of the largest and best sanatoria in the country for the treatment of tuberculosis.

The people of the west end of the county had requested a grant of \$10,000 for the West Lincoln Memorial Hospital "and I'm glad to report tonight that they're going to get that money because the government is taking a realistic view of the need for hospitalization, and seeing that it is provided where it is needed."

There has been a more equitable distribution of available supplies by the Liquor Control Board, he said. Legislation passed during the Hepburn regime preventing provincial government departments from supporting victory loans, because of Mr. Hepburn's differences with Premier King, has been repealed and the province is now buying victory bonds.

In the labor department a labor relations board was set up which met two days a week. Mr. Hepburn promises to have a full-time board, he said, but this week the board informed him that they have caught up with their work and will require only one day a week, said Mr. Daley. To meet longer would be a waste of money.

Many branches of employment have been brought under the Workmen's Compensation Act to protect workers who are injured at their jobs. "We'll put all branches of employment under the Act as fast as we can," he said. The government had introduced the 48-hour week and a week's holidays with pay. In the building trades where a man has different employers, he is now given a book recording his employment, so that he receives his vacation when his book shows he is entitled to it. "I plan to introduce this into all trades," he said.

The civil service has greater security through higher salaries. "We promised them more security, so it was difficult to get rid of some of the people you thought should have been gotten rid of, but the policy of the government had been laid down." Rates for hydro have been decreased, and plans for after the war will extend the service.

vice to 95 per cent of the people of the province. In the forestry department "one of the first things the Drew government did was to take back 13,000,000 acres of your land from men who were not living up to their agreements." Better fire protection for the forests has been provided.

The watch on the Rhine has been given the works.

This will also be recalled as an era when a man didn't swap his wife or his auto every twelve months.

Politicians are used to having their legs pulled. You see their legs are long because they straddle the fence so much.

With money plentiful, it's hard to keep from being stung by a humbug.

# the SHOUT THAT BECAME A WHISPER...

We've looked forward a long time to celebrating the installation of our millionth telephone. Now the great day has come and gone, with only a brief press notice to mark its passing. There are more important things to do just now. Besides, we won't be really happy until we can take care of every one of the more than 70,000 further applicants who today are waiting for telephones.

It may surprise you that 215,000 more Bell telephones are in service now than when war began. With telephone manufacturers practically 100% on war orders, how was it done?

First, by using up all our reserve stock. And second, by making maximum use of reconditioned equipment. We have thus been able to meet—fully and on time—every essential war demand for telephone service. Only materials left over after these needs are met can be used to look after our "waiting list".

These unfilled orders are our constant concern. They involve much more than installing telephone sets. The job calls for additional wire, and cable, and intricate exchange apparatus, and all the other elements of a complete telephone system. And this, in turn, is just one part of the whole construction program we will undertake once men and materials are available.

It means lots of work ahead not only for every present Bell employee, whether at home or in the services, but for additional workers, too.

 inherent right and responsibility of management to direct the operations of enterprise so it can develop, expand and make a reasonable profit.

"I would like to ask any C.C.F. supporters what their answer is to that," he said.

"The way of living that we love so much and for which our boys are fighting is the way we want to continue. Put John Bracken across in this Dominion, because he subscribes to that," he urged.

Noting that a Cardin party, a Houde party, Block Populaire, Progressive Labor, and other parties are being formed, Mr. Lockhart declared, "there will be eight or nine parties in the field by the time of the election. It is exactly the same situation as there was in France when France fell. There must be only one party to lead this country and retain close relations with the Mother Country."

People point to the war record of Canada, and claim that the Liberal government must take the credit. "Do you think our workers and industries would have turned out less if another party had been in power?" he asked.

"Don't you worry about the honesty and integrity of John Bracken. He is a man of sterling character; he's got a background; he does not jump around like the double-chin that we've got in the province of Ontario. In caucus and meetings of our party, time and

Tom Mackie did a wonderful job in the township. In fact everybody co-operated in splendid team work. I am writing this at noon Wednesday and already we have sold several tons of paper, and it is on its way to the mills to be made into a thousand containers for shipment of goods overseas. The money we receive for all this salvage goes into Red Cross, Cigarette Fund, Jam for Britain (Women's Institute), or parcels overseas (I. O. D. E.) Navy League, etc.

Before we require another salvage collection let us hope peace will again cover the globe. In the meantime do not burn any paper. The war is not over until the Japs are well spanked and team work will do it. We in Canada will help our American cousins to win.

## Grimsby Stayed Sober Last Year

(Grimsby, Eng. News)

Convictions for drunkenness in Grimsby last year reached a new low record. Proceedings were taken against 36 persons, a reduction of 29 on the previous year, and representing only .16 per thousand of the residents.

Presenting his annual report to the Borough Licensing Justices at the Brewster Sessions on Tuesday, the Chief Constable (Mr. C. E. Butler) said that in Grimsby today were 140 licensed houses (including off-licences), or one to every 660 inhabitants. During the year 22 licenses had been transferred and proceedings had been taken against two license holders.

Of the 36 persons convicted for drunkenness, all but three were males; five were foreigners, 15 residents and 21 non-residents. Eleven persons brought before the magistrates were between 15 and 20 years of age.

Grimsby was now next to the bottom in the table showing the number of convictions per thousand of the population in similar sea-port towns.

## Lions Club

Plans for the big summer carnival of the Lions Club are well under way and ticket sales on the drawings will begin this week, was the report made to the dinner meeting of the club on Tuesday evening by Lions Ewart Stonehouse and "Bob" Bourne.

Erwin Phelps has consented to take over the chairmanship of the Boys' and Girls' committee in lieu of Dave Bell who is moving from Grimsby.

Next meeting of the club will be held on May 15th and will be the nomination of officers meeting.

Dr. W. J. Deadman of Hamilton, introduced by Dr. J. F. McIntyre, was the guest speaker of the evening.

Music for the evening was supplied by Herb Gillespie at the piano and by a "Hay-Kickers" orchestra from Beamsville, composed of "Bill" West and the Howey Brothers.

## Discuss Grimsby School Matters

Three representatives of the Department of Education meeting the Grimsby Board of Education stressed the urgency of placing agricultural science on the high

school course of studies here, and encouraging more commercial study, said T. L. Dymond, chairman of the board, last Friday.

The department views these subjects as general education rather than as specific education.

He also said that while it might be necessary later to build an addition to the school, in order to teach these subjects, it appears that the grants towards making shopwork and home economics possible are quite high, resulting in little cost to be borne by local taxpayers.

## Blossom Festival

The 16th Annual Blossom Time Music Festival, presented by the pupils of Grimsby and District schools, under the direction of Gordon L. Eaton, Supervisor of music, will be held in Trinity Hall on the nights of May 10th, 11th and 14th. This year all seats are to be reserved, the plans opening at Baker's Stationery store on May 5th.

A particularly interesting program is being prepared, consisting of a festival chorus of 150 voices, class choirs, solos, instrumental and vocal, rhythm band, pantomime, juvenile acrobatics, and an unusual feature, three dramatized choruses, including a rustic dance, and minuet in costume.

"An army can move only as fast as its supplies." That truth is well established. Engineers and infantry need artillery support. All need ammunition . . . food . . . and they need moral support . . . proof that we, at home, are doing all we can to back them up.

Attack wins objectives. Support wins Wars.

And that is where we, on the home front, fit into the war programme. We must furnish support. We must buy more Victory Bonds.
